Dear Sister:— Mr. Evans
came yesterday noon & stayed
all night & this morning I
put Jack on the train with
him, somewhat against his
will, but yesterday Jack was
right up with him & was
crawling all over him. They
left on 8 a.m. train & will be
in Palestine 1040 a.m. They
don't intend to start before
Sat. night & will then stop over
in Chicago, Denver & Salt Lake
each a day or 2 & go to Union
to sign an application for ad-
option for you yesterday I will
write you in a day or so & tell
you what to do when you get
this paper. but you won't
need any lawyer & it won't
cost you much, either I only
got \$7.00 out of him for Jack's
traveling expenses, so I had to
give \$7.00 myself to make
up the \$25.00 I haven't heard
from Mother yet since her kind
I will write soon again good-bye
Archibald
